KASICH RESPONDS TO UGN, INC. JOBS ANNOUNCEMENT

COLUMBUS—Today Gov. John R. Kasich issued the following statement in response to UGN, Inc. announcing a new auto parts manufacturing plant in Monroe. The \$50 million investment will result in 150 new jobs.

“This is just great news for the people of Monroe and reinforces the important role that Ohio continues to play in the auto industry. It’s great that the company found the team at JobsOhio to be helpful to them and, more important, great news for the 150 families who will be receiving new jobs at UGN,” said Kasich.
