TWLEVE PROJECTS TO INVEST \$187 MILLION AROUND OHIO
More Than 1,200 Jobs Expected To Be Created

COLUMBUS – Gov. John R. Kasich today announced the approval of assistance for twelve projects set to create 1,265 jobs and retain 687 jobs statewide. During the Ohio Tax Credit Authority's (TCA) monthly meeting, it reviewed economic development proposals brought to the board by JobsOhio and its regional partners. Together the projects are expected to result in more than \$66.4 million in new payroll and \$187.4 million in investments across Ohio.

Projects approved by the TCA include:

Clinical Outcomes Management Systems, LLC dba COMS Interactive (Location TBD) is expected to create 119 full-time positions, generating \$8.7 million in additional annual payroll and retaining \$1.8 million in existing payroll as a result of the company's expansion project at a to-be-determined location. Clinical Outcomes Management Systems focuses on process and systems that stabilize and improve resident health. The TCA approved a 45 percent, six-year Job Creation Tax Credit for this project.

Rapid Prototype and Manufacturing LLC (Location TBD) expects to create 130 full-time positions, generating \$9.5 million in additional annual payroll and retaining \$380,000 in existing payroll as a result of the company's expansion project at a to-be-determined location. Rapid Prototype and Manufacturing is an additive manufacturing company offering rapid prototyping services in addition to design and regulatory consulting, quality control and non-plastic and non-rapid prototyping services. The TCA approved a 50 percent, seven-year Job Creation Tax Credit for this project.
