

Executive Department

OFFICE OF THE GOVERNOR

Columbus

RESOLUTION

WHEREAS, the Ohio Development Services Agency's Office of Energy works to grow the economy of the state through increasing energy efficiency in Ohio's businesses, communities, and residential buildings; and

WHEREAS, heating and cooling a business or home can make up 54% of an utility bill, and air leaks can account for up to 25% of lost energy; and

WHEREAS, compact fluorescent lamps (CFLs) and light-emitting diodes (LEDs) over their lifetime save money because they use less electricity; and

WHEREAS, implementing energy efficiency can reduce overall business and home energy costs, as well as reduce impact on the environment, and increase opportunities for job creation.

NOW, THEREFORE, I, John R. Kasich, Governor of the State of Ohio, do hereby recognize October 2012 as

**ENERGY AWARENESS
MONTH**

throughout Ohio and I invite all Ohioans to identify with and improve their energy efficiency at home and at work.

On this 1st day of October, 2012;

John R. Kasich
Governor
