

JOHN R. KASICH
GOVERNOR
STATE OF OHIO

November 26, 2013

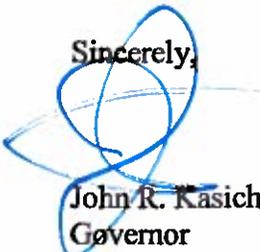

Ms. Nancy Dragani
EMA Director, State of Ohio
2855 W. Dublin Granville Road
Columbus, Ohio 43235

Dear Ms. Dragani:

As Governor of the state of Ohio, I authorize implementation of the State Disaster Relief Program as a result of severe storms and tornados on November 17, 2013.

The State Disaster Relief Program (SDRP) is authorized for those jurisdictions and/or counties that have issued an emergency declaration as a result of the incident. The SDRP is a reimbursement program intended to provide supplemental state assistance to local governments and eligible private non-profit organizations for costs associated with debris removal, emergency protective measures and permanent work. A local emergency must be declared and the cost of the applicant's eligible work must exceed ½ of 1% of their annual usable budget (less debt service and bonds).

Sincerely,

John R. Kasich
Governor
