KASICH STATEMENT ON CONTROLLING BOARD VOTE

COLUMBUS— Today Governor John R. Kasich released the following statement after the Controlling Board approved the appropriation of federal funds to extend Medicaid benefits to low-income Ohioans earning up to 138 percent of the federal poverty level: “Together with the General Assembly we’ve improved both the quality of care from Medicaid and its value for taxpayers. Today’s action takes another positive step in this mutual effort. I look forward to continuing our partnership with the General Assembly to build upon the progress we’ve already made to make Medicaid work better for Ohioans.”
