## Marietta, OH

### **ABOUT**

Marietta City Schools has been a fixture in SE Ohio since 1848. Currently, we serve roughly 2,750 students and employ nearly 300 people. We take great pride on our programs which are innovative and our people are who are dedicated professionals.

### **Mission**

By pursuing world class standards through high quality programs, the mission of MCS is to inspire all students to achieve academic and personal excellence and become self directed and life-long learners.

### **Vision**

The vision of MCS is to attain statewide recognition for outstanding student and staff performance and be the school system of choice.

# Taking stock...

- **Inspired when:** we realized the abundance of resources available in our own backyard
- **Challenged by:** the vast educational changes that have occurred over 20 years led schools away from providing personal experiences that lead to career aspiration

## MCS Teacher Tours - 2015

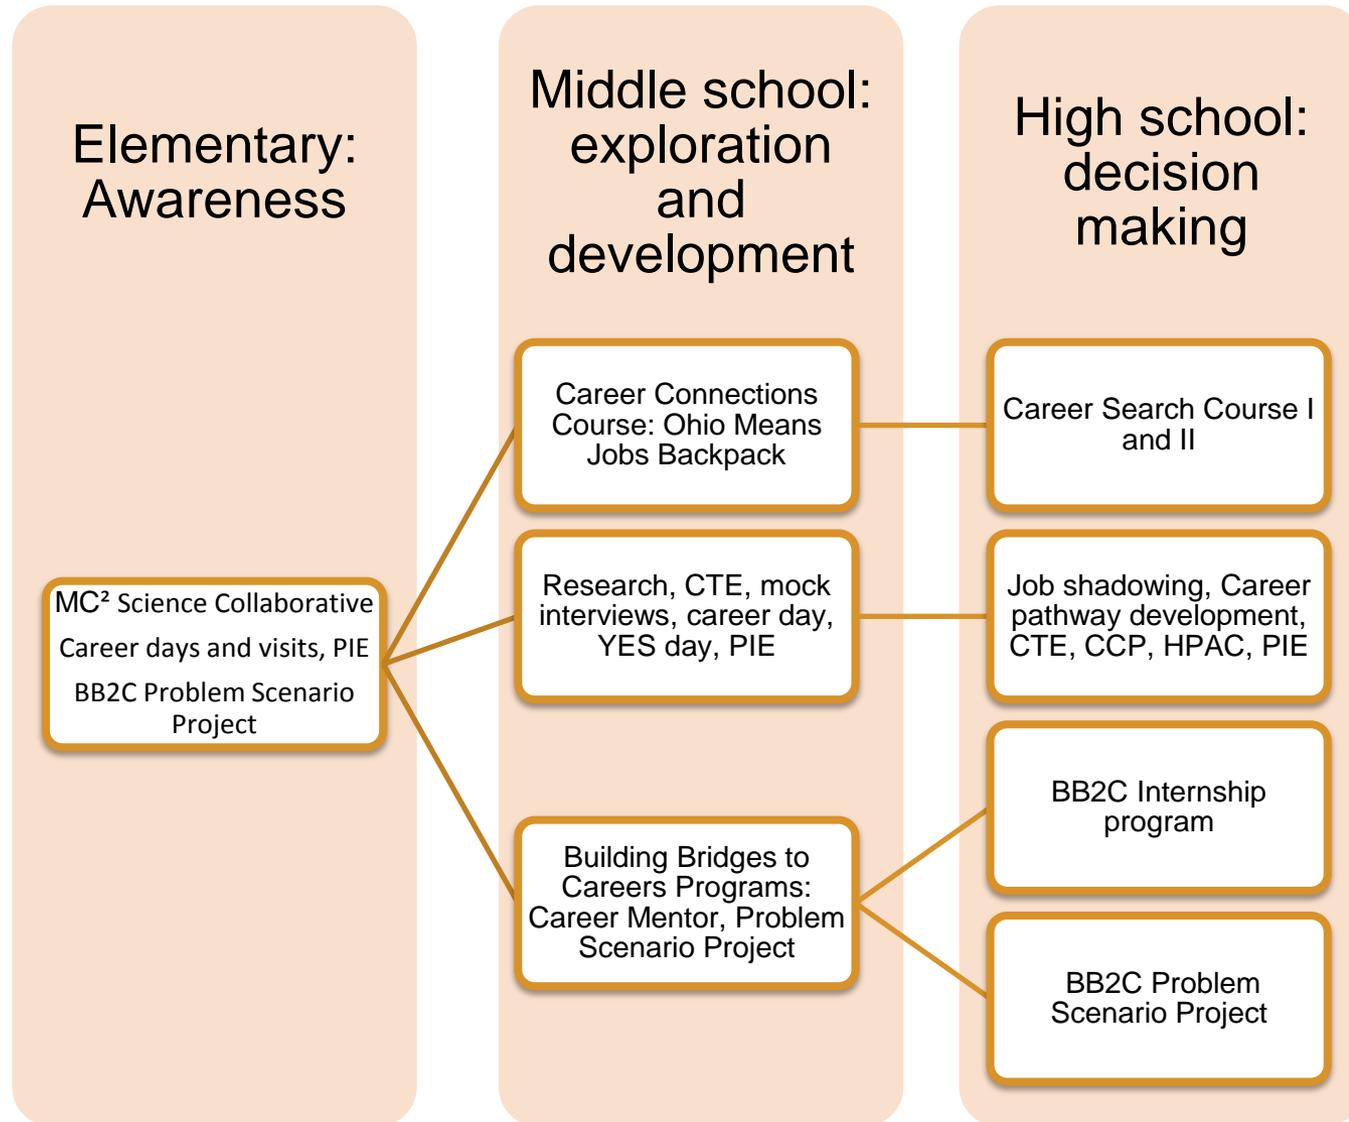

# It Takes a Village...

- **We must:** form reciprocal relationships with community adults and local employers
- **We must:** provide logistical support to teachers to help sustain programs and relationships
